## Tarot of the Kingdoms

Paige Ozma Ashmore

This 80-card Tarot deck and guidebook bring the magic of the universe to seekers wishing to connect with their deepest powers of intuition. Through whimsical paintings of fairies, dragons, merfolk, treefolk, and spirit, discover secret knowledge in four magical kingdoms that will help guide readers toward a brilliant life with messages from the Universe. Explore your higher purpose and find out how to dispel negativity in a reading. Conduct simple spells to reconnect with nature spirits, and develop an intuitive relationship with the Earth. Includes three spreads for divination.

Paige Ozma Ashmore has been reading Tarot cards for thirty years. She is also an artist whose work has been collected all over the world.

From the author:

Spirit permeates all things. Those from the other realms want us to know that there is a part of us that is of them, so we live in each of those kingdoms.
